**ICCA/ WCO OPEN REGISTRATION FOR 2019 GLOBAL SUMMIT;  
FBA ANNUAL MEETING COMBINED WITH GLOBAL EVENT**

The International Corrugated Case Association (ICCA) and the World Containerboard Organisation (WCO) are pleased to announce open registration for the 2019 ICCA/WCO Global Summit to be held May 20 – 23, 2019 at The Breakers in Palm Beach, Florida.

The Global Summit is the premier event for the global corrugated and containerboard industries and includes general meeting sessions, networking and social events including a program for spouses/companions.

The theme for the biennial event is *Choose the Planet. Choose Corrugated.* In response to the global conversation surrounding plastic packaging, the theme directly answers the National Geographic June cover question, “Planet or Plastic?” and encourages packaging users to choose the planet and choose paper-based corrugated packaging. Presentations during the general sessions will explore the dynamics of changing supply chains, the impact of e-commerce, and the sustainability of packaging materials.

Fibre Box Association (FBA) will hold its Annual Meeting as a combined event with the Global Summit. There is one registration fee for the event and all program events are open to all attendees.

The Breakers is set amidst 140 acres of breathtaking oceanfront property in the heart of Palm Beach. Founded on the sands of Palm Beach in 1896, this AAA, Five-Diamond resort upholds its legendary heritage of timeless luxury and uncompromising personal service.
